

**CONFIRMATION REGISTRATION
CANDIDATE LETTER**

Dear Candidate,

Thank you for considering joining the other young men and women who will be preparing to celebrate the sacrament of Confirmation in October of 2010. There are many reasons why you might have chosen to join the program at this time. Some of them may include the fact that your parents have encouraged you to do so or that some of your friends are considering this time of preparation as well. The Spirit moves in many ways. Although the idea to participate in the program may have come from outside of you, your own personal response is important. Before you fill out the Registration Form please take a few moments to think about why **YOU** want to complete your initiation into the Catholic Christian Community at this time. Your parents have also been asked to write down their reasons for encouraging you to make this final step. I have asked them to share their thoughts with you. Please share your reasons with them. When you have completed your Registration Letter, attach it to your parent's letter and the Registration Form. Return all three forms to the Religious Education Office. Remember the deadline for registration is **Thursday, November 5 at 8:00 PM.**

There are many reasons why I have decided to begin this yearlong process of preparation for the Sacrament of Confirmation. Most important of these are my own personal reasons. I have prayerfully considered them and written them below.
