

The *Siena Center* of Dominican University presents

# Hidden in Plain Sight: Imagination and the Discovery of Grace

*Featuring*

**Gertrud Mueller Nelson**

**Gertrud Mueller Nelson**, artist, author, teacher and woman of faith, delivers the season's inaugural lecture. God knew we could learn about God best through what we see and touch and feel and hear and taste. That's why God sent us Jesus—in a body like our own. Living among us, Jesus taught us by telling stories of tangible things and human situations. He knew that it takes our human imagination to recognize and respond to God's presence in the world. This imagination is basic to our sacramental life: it gives us back the holiness of our human condition. Nelson is the author of *Child of God*, *A Walk Through Our Church*, *To Dance With God* and other books that celebrate the holy in the ordinary.
