

Dear Parents & Teens,

I can't believe how quickly this year has gone by and we only have a few weeks left. It's almost time to leave for ASP and here are a few last minute details that you might need. This year, we have decided not to create a phone tree because of the number of cell phones that we have available. We will ask the teens to call and check in when we arrive, but you can also call Dan Lawler if you have any questions. I also ask that you go to our website and view the Expectations and Guidelines, Weekly Schedule, and Safety Manual together. Please take the time to review these materials with your teen to ensure they are ready and understand what they are being asked to do. If you have any questions or concerns, feel free to contact me before the trip.

I also wanted to take a quick moment to thank all of the adults and teens who given their energy and time to help us prepare. This year we raised over \$24,000 through Bake Sales, Car Washes, Stock Sales and Letter Writing. Besides the teens' participation, I also wanted to commend the adults who helped coordinate those fundraisers and projects. It's been a blessing to have so many people committed to our youth and our ideals to serve. Once again, I want to thank you for supporting your teens and our Parish.
